

We all are watching the outcome of NAB's petition 04-160. XM radio is a choice that we have made due to it's diverse selections and quality digital broadcasting across the country. I am gladly paying for this service because it's my choice to. When we start eliminating choices from the people in this country, we are moving to "Mesopotamian" times. Vote NO on NAB's petition 04-160.
